NEW ROAD MARKERS - GWAVAS

New road markers have been put in place at Gwavas to assist you with safe travels throughout the forest.

The key word is “assist”. Please don’t drive to the RT. Drive as far to the left of the road as practicable, expect a vehicle around every corner and ensure you can stop within half the visible distance in front of you.

Signs are now in place on Wakarara Road, Allen Road, Carlyon Road, Pharazyn Road. Please refer to the numbering on the post and not the old call up points like “Mad Mile”, “Hole in the Wall” etc. We have a number of new contractors and staff that have no idea what you are talking about!

Call-up example:

“Light vehicle on Allen Road 3 to 4”, “Transporter on Wakarara 8 to 9”
